Thanking God for our customers: Seeing the present value in our AI products and supporting an “apollo-like” mission

EnviroAI is now over \$200,000.00 in products sold.

We thank God for our customers. We thank God. We thank God. We thank God.

---“It’s so much fun to be on an Apollo-
like mission with our customers!”

Building toward an AI
quantum machine to
help protect the
environment at less
cost . . . **one**
commercialized
application at a time—
that’s EnviroAI.
