# Creativity . . . a skillset in great demand

October 3, 2020

Job's and Anderson's comments on "creativity"

CREATIVITY.

Connecting ...AI. Nature. Environmental Protection.

---“Creativity is just connecting things. All is data. It’s patterns in data. Once we begin to see this in everything around us, the connections start becoming obvious.”

– Jed Anderson

Language data, visual data,  
numeric data.

All is data. It's just not all connected yet.
