

POST

Loud Reaction to "AutoConsultant" . . .

September 17, 2021

TCEQ and consultant's reaction ...

NO FEAR!

I'm hearing fear amongst consultants and TCEQ regarding the development of "AutoConsultant" (see below).

The tractor didn't replace the farmer.

Artificial intelligence will help environmental professionals produce more and exciting new 'intellectual crops'

AutoConsult

---“EnviroAI is developing a machine-learning application called “AutoConsult” that runs as a plug-in on top of TCEQ’s electronic submittal website, **STEERS** (https://r20.rs6.net/tn.jsp?f=001UM_FD6uw-JdtPmtlHagAYbGqbxUmGKGTHoCjhFUdSfVw5PtGqsvtAfHZSjt26zEGLSIDifRRZrGCJXm1EN7mUPHxdy-szGoytdAgkhrQ6pQCqS9EMxkFVXXKfanXHVI6G6YgsjBNJpUqP5gJHIy3VKToDbucY_X_S&c=&ch=)).

AutoConsult is being developed not only to autofill information from our database into the forms, but also automate certain application tasks such as determining distance limitations (ex. 500’) using satellite images and machine-learning.” - Jed Anderson, CEO, EnviroAI
