EnviroAI---The Power of Artificial Intelligence

---“Our company found a better permit condition ... saving us over \$500,000.”

-Fortune 100 Company

A black silhouette of the state of Louisiana is centered on a light gray background. The word "Louisiana" is written across the middle of the silhouette in a bold, black, sans-serif font. The letters are slightly offset from the silhouette, with some parts appearing to be cut out or layered over it. The 'L' is on the left, and the 'a' is on the right, following the shape of the state.
