Answered.

QUESTION?

a

The image shows a screenshot of the EnviroAsk website. At the top left is the EnviroAsk logo, which includes a 'QA' icon. To the right of the logo is a search bar containing the text 'e.g. flares, net heating value, RN101914042'. Further right are three buttons labeled 'Store', 'Contact', and 'About'. On the far right of the header are icons for a user profile and a home page. The main content area features a large heading 'Ask any environmental question?' in bold black text. To the left of this heading is a silhouette of a person's head and shoulders, with a large question mark above it. A speech bubble originates from the person's mouth, pointing to a large black rounded rectangle. Inside this rectangle, the text 'Does a spray bo' is visible, with a vertical cursor line at the end. Below the person silhouette is the word 'You' in bold black text. To the right of the question box is the 'EnviroAsk^{AI}' logo, where 'AI' is in a smaller font. In the bottom right corner of the main area, there is a grayscale image of a robot wearing a hard hat and safety glasses.

ANSWERED.
